

The Minnewaska Area Go-Kart Racing Association would like to thank you for your support during the 2005 Race Season.

Whether you are a competitor or a spectator, go-kart racing is affordable family entertainment. An average of fifty families participates every Sunday during the race season, in eight divisions of racing. Go-kart racing is a great pastime allowing kids and adults of all ages to spend quality time together. The racers involved learn commitment, dedication and sportsmanship, in addition to having fun. These kids develop friendships and memories that will last for years.

With the help of area businesses, the Minnewaska Go-Kart Track will start their sixth year of operation in the spring of 2006. Plans are in the works for the new season and we look forward to your continued support.

The 2006 Season will begin the Sunday after Memorial Weekend and conclude the Sunday before Labor Day Weekend.

The Minnewaska Go-Kart Association is looking for community sponsors for each race event. To sponsor a race, the association asks for a donation of \$250 to cover the expenses of first, second, and third place trophies awarded in all eight classes. Your business name will be engraved on each trophy awarded on your race day. Your business name would also be included on the 2006 Race Schedule, in addition to having the on line exposure of your logo placed on our web site.

The go-kart association is always looking for volunteers to donate time or materials for track projects. We also need donations to cover the expenses of the end of the season championship trophies. Your business name would be engraved on the championship trophies of the classes you sponsor.

Thank you for your time and consideration.
